REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance: Applicants amendments now employ the closed-ended transition phrase "consisting of", which excludes any other additional process steps or ingredients from the claim. The previously relied upon prior art rejection of Cen et al. (US Pat. 6,632,420) in view of Tsubaki et al. (US Pat. 5,472,686) has been withdrawn. Cen et al. requires the use of at least one additional ingredient which is not claimed, namely, an antiperspirant salt. Removal of such an ingredient would effectively destroy the invention of Cen et al., which is concerned with antiperspirant or deodorant personal care products.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
